# ATTENTION GEORGIA EMPLOYERS

Our goal as your **RELIABLE** labor law poster company is to ensure that you are always in compliance! We would like to make you aware that there may be **other requirements** that your company is subject to in addition to posting your labor law posters in a conspicuous location.

Locate the two notices on your state poster titled “**Official Notice**”. All employers must **choose one** of these panel of physician options to comply with the state workers’ compensation law. The options include a traditional panel of physicians (notice P1) or a Managed Care Organization (notice P3).

- Each Official Notice has a sentence in the heading stating, “This notice does/ does not apply to this business”. Check the box on each of the notices that applies to your business.
- Fill in the appropriate information on the notice that applies to the workers’ compensation program your company has chosen.

If **applicants for employment** are normally seen in an area **other than where you post your federal labor law poster**, you need to post three federal notices in this area where applicants can easily see them. Poster Compliance Center publishes a Federal Applicant Edition poster that includes all three of these notices. Call Customer Service at (800) 322-3636 if you would like to order this poster.

The following industries are required to post **Human Trafficking notices**: Adult entertainment establishments, Bars, Primary airports, Passenger rail or light rail stations, Bus stations, Truck stops, Emergency rooms within general acute care hospitals, Urgent care centers, Farm labor contractors and day haulers, Privately operated job recruitment centers, Safety rest areas located along interstate highways in this state, Hotels, and Businesses and establishments that offer massage or bodywork services by a person who is not a massage therapist. Go to our Free Specialty Posters page at the following address to download the Georgia Human Trafficking notice: <https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/>

If your state has an **E-Verify law** (used to determine if workers are eligible for employment), covered employers must register for E-Verify through the U.S. Department of Homeland Security (DHS) and must post required participation posters.

- Only employers who have registered should post the required posters which can be downloaded free during registration.
- DHS prohibits commercial sale of these posters by third parties.

For these reasons E-Verify posters are not included on our state posters. For further information or to register for E-Verify, go to the DHS E-Verify home page at <https://www.e-verify.gov/> or call 888-464-4218.

Your state has a **No Smoking law**, and covered employers must post required signs in their places of business. The signs must be posted in specific locations, such as building or room entrances. These location requirements cannot be met by including a No Smoking sign on your labor law poster. Therefore, employers must obtain and post any required signs. Poster Compliance Center provides Free Specialty Posters that include certain state-specific signs. You can download a No Smoking sign for the State of Georgia on our Free Specialty Posters page at the following address: <https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/>

Poster Compliance Center publishes labor law posters that include all general required notices for employers. Depending on a company’s industry, type of commerce, sector, location, or workforce, **additional specialized notices may be required** by federal, state, or local governments or agencies. Examples could include notices for a municipality, notices for federal contractors, notices that must be posted for the public or job applicants (in addition to those posted for employees), a labor law notice required in another language for employees who do not speak English, public sector notices, signage that must be posted at a specific location in your business such as the entrance, or a notice that can only be obtained through an insurance company.

**GEORGIA STATE BOARD OF WORKERS' COMPENSATION****BILL OF RIGHTS FOR THE INJURED WORKER**

As required by law, O.C.G.A. §34-9-81.1, this is a summary of your rights and responsibilities. The Workers' Compensation Law provides you, as a worker in the State of Georgia, with certain rights and responsibilities should you be injured on the job. The Workers' Compensation Law provides you coverage for a work-related injury even if an injury occurs on the first day on the job. In addition to rights, you also have certain responsibilities. Your rights and responsibilities are described below.

**Employee's Rights**

1. If you are injured on the job, you may receive medical rehabilitation and income benefits. These benefits are provided to help you return to work. Your dependents may also receive benefits if you die as a result of a job-related injury.
2. Your employer is required to post a list of at least six doctors or the name of the certified WC/MCO that provides medical care, unless the Board has granted an exception. You may choose a doctor from the list and make one change to another doctor on the list without the permission of your employer. However, in an emergency, you may get temporary medical care from any doctor until the emergency is over, then you must get treatment from a doctor on the posted list.
3. Your authorized doctor bills, hospital bills, rehabilitation in some cases, physical therapy, prescriptions, and necessary travel expenses will be paid if injury was caused by an accident on the job. All injuries occurring on or before June 30, 2013 shall be entitled to lifetime medical benefits. If your accident occurred on or after July 1, 2013 medical treatment shall be limited to a maximum of 400 weeks from the accident date. If your injury is catastrophic in nature you may be entitled to lifetime medical benefits.
4. You are entitled to weekly income benefits if you have more than seven days of lost time due to an injury. Your first check should be mailed to you within 21 days after the first day you missed work. If you are out more than 21 consecutive days due to your injury, you will be paid for the first week.
5. Accidents are classified as being either catastrophic or non-catastrophic. Catastrophic injuries are those involving amputations, severe paralysis, severe head injuries, severe burns, blindness, or of a nature and severity that prevents the employee from being able to perform his or her prior work and any work available in substantial numbers within the national economy. In catastrophic cases, you are entitled to receive two-thirds of your average weekly wage but not more than \$725 per week for a job-related injury for as long as you are unable to return to work. You also are entitled to receive medical and vocational rehabilitation benefits to help in recovering from your injury. If you need help in this area call the State Board of Workers' Compensation at (404) 656-0849.
6. In all other cases (non-catastrophic), you are entitled to receive two-thirds of your average weekly wage but not more than \$725 per week for a job related injury. You will receive these weekly benefits as long as you are totally disabled, but no longer than 400 weeks. If you are not working and it is determined that you have been capable of performing work with restrictions for 52 consecutive weeks or 78 aggregate weeks, your weekly income benefits will be reduced to two-thirds of your average weekly wage but no more than \$483 per week, not to exceed 350 weeks.
7. When you are able to return to work, but can only get a lower paying job as a result of your injury, you are entitled to a weekly benefit of not more than \$483 per week for no longer than 350 weeks.
8. Your dependent(s), in the event you die as a result of an on-the-job accident, will receive burial expenses up to \$7,500 and two-thirds of your average weekly wage, but not more than \$725 per week. A widowed spouse with no children will be paid a maximum of \$290,000. Benefits continue until he/she remarries or openly cohabits with a person of the opposite sex.
9. If you do not receive benefits when due, the insurance carrier/employer must pay a penalty, which will be added to your payments.

**Employee's Responsibilities**

1. You should follow written rules of safety and other reasonable policies and procedures of the employer.
2. You must report any accident immediately, but not later than 30 days after the accident, to your employer, your employer's representative, your foreman or immediate supervisor. Failure to do so may result in the loss of the benefits.
3. An employee has a continuing obligation to cooperate with medical providers in the course of their treatment for work related injuries. You must accept reasonable medical treatment and rehabilitation services when ordered by the State Board of Workers' Compensation or the Board may suspend your benefits.
4. No compensation shall be allowed for an injury or death due to the employee's willful misconduct.
5. You must notify the insurance carrier/employer of your address when you move to a new location. You should notify the insurance carrier/employer when you are able to return to full-time or part-time work and report the amount of your weekly earnings because you may be entitled to some income benefits even though you have returned to work.
6. A dependent spouse of a deceased employee shall notify the insurance carrier/employer upon change of address or remarriage.
7. You must attempt a job approved by the authorized treating physician even if the pay is lower than the job you had when you were injured. If you do not attempt the job, your benefits may be suspended.
8. If you believe you are due benefits and your insurance carrier/employer denies these benefits, you must file a claim within one year after the date of last authorized medical treatment or within two years of your last payment of weekly benefits or you will lose your right to these benefits.
9. If your dependent(s) do not receive allowable benefit payments, the dependent(s) must file a claim with the State Board of Workers' Compensation within one year after your death or lose the right to these benefits.
10. Any request for reimbursement to you for mileage or other expenses related to medical care must be submitted to the insurance carrier/employer within one year of the date the expense was incurred.
11. If an employee unjustifiably refuses to submit to a drug test following an on-the-job injury, there shall be a presumption that the accident and injury were caused by alcohol or drugs. If the presumption is not overcome by other evidence, any claim for workers' compensation benefits would be denied.
12. You shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$10,000.00 or imprisonment, up to 12 months, or both, for making false or misleading statements when claiming benefits. Also, any false statements or false evidence given under oath during the course of any administrative or appellate division hearing is perjury.

## POLICY

The General Assembly of Georgia hereby declares that the practice of discriminating on the basis of sex by paying wages to employees of one sex at a lesser rate than the rate paid to employees of the opposite sex for comparable work on jobs which require the same or essentially the same knowledge, skill, effort and responsibility unjustly discriminates against the person receiving the lesser rate:

It is hereby declared to be the policy of the State of Georgia through the exercise of the police power of this State to correct and, as rapidly as possible, to eliminate discriminatory wage practices based on sex.

## PROHIBITION OF DISCRIMINATION

No employer having employees subject to any provisions of this section shall discriminate, within any establishment in which such employees are employed, between employees on the basis of sex by paying wages at a rate less than the rate paid to the opposite sex, EXCEPT WHERE SUCH PAYMENT IS MADE PURSUANT TO:

1. A seniority system;
2. A merit system;
3. A system which measures earnings by quantity or quality of production, or
4. A differential based on any other factor other than SEX: Provided, that an employer who is paying a wage rate differential in violation of this subsection shall not, in order to comply with the provisions of this subsection, reduce the wage rate of any employee.

It shall also be unlawful for any person to cause or attempt to cause an employer to discriminate against any employee in violation of the provisions of this Chapter.

It shall be unlawful for any person to discharge or in any other manner discriminate against any employee covered by this Chapter because such employee has made a complaint against the employer or any other person or has instituted or caused to be instituted any proceeding under or related to this Chapter or has testified or is about to testify in any such proceedings. Any person who violates any provision of this Code section shall, upon conviction thereof, be punished by a fine not to exceed \$100.00. (OCGA Section 34-5-3.)
